(1) The claim counts are by year of injury, and include all claims for injury years 1998 through 2007 that were accepted for STD, LTD, or survivor benefits either in the year of injury or in the following year (until September 30, 2008 for 2007 injuries). Health-care-only claims are not included.

(2) Uncoded claims have been proportionately allocated. The allocated counts have been rounded to whole numbers. Column and row totals have been rounded independently, so the columns and rows may not add up exactly to the totals shown.
