**RE:** **SECOND-HAND SMOKE REGULATION**

**FROM:** Carol Buckna, , Smithers, B.C.  
VOJ 2NO

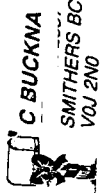

I support your attempts for a regulation to ensure that all workers in B.C. receive the benefit of working in a smoke-free environment.

I presently work in a smoke-free environment and appreciate same. I would like to see all public places smoke-free!

I was disappointed when your recent attempt was struck down by the Court. In our family we have a parent who has chronic bronchitis and make every effort to avoid smoking areas or leave areas when smoking starts!
